Public Audience: None

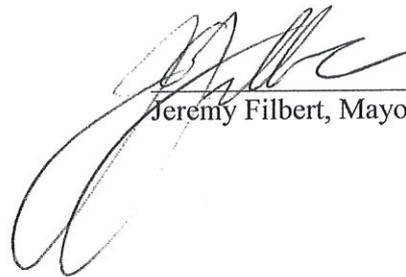

A motion by McGhee to approve Resolution 2015-11 approving Public Works Director job description, second by Thomas. Motion carried unanimous.

Administrator Norton informed the council that the recovery company no longer did house to house pick up of white goods. They will pick up from a central location in town and wanted to know if they felt The City should continue with the service during the spring city wide cleanup. After some discussion it was decided to continue the service with the drop off site being at the City maintenance buildings same as the scrap tires.

The City's CIP was discussed. It was not reviewed or updated last year and needs to be. It was decided that this was not the best time of the year because of the budget to do the review. Department heads are to review their lists and determine what had been completed and the updated lists will be discussed at the May 4, 2015 council meeting. The Council will look at updating the CIP in August or September of this year.

Updates from Department Heads, Council Members and the Mayor.

Mayor Filbert adjourned the meeting at 7:45 pm.
